The Annual Percentage Yield is a percentage rate reflecting the total amount of interest paid on an account, based on the interest rate and the frequency of compounding for a 365-day period. Annual Percentage Yields shown above assume that all principal and interest remain on deposit for the entire term. Fees can reduce earnings. Interest Rates and Annual Percentage Yields may change daily at the bank's discretion. Please call 319-895-8835 for current rates. Early withdrawal penalties may be imposed. Please ask any employee to obtain full account disclosures that include information about these accounts.
