

Construction Update

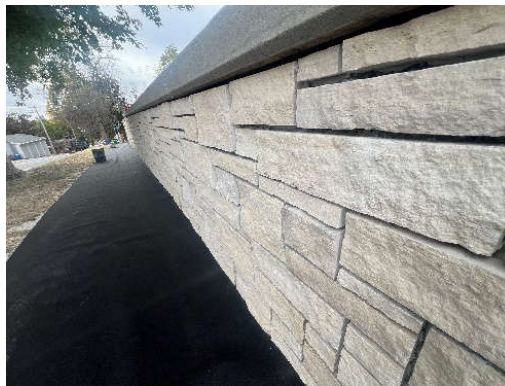

Construction is going well and the parking lot around the bank building has been completed. The west upper parking lot, behind the statue, is almost completed. The alley, leading down to the lower parking lot, has been removed and landscaping will be added soon. The remaining railing and lighting are scheduled for mid- to late-November.

The limestone veneer, on the 2nd Street retaining wall, is a nice improvement for the historic aesthetic of uptown.

The current plan is for lower parking lot improvements to be done in 2025.

We appreciate your patience during this construction.

Shop Small On Us

Saturday, Nov. 9, Mount Vernon and Lisbon businesses are holding a Holiday Open House event. To help encourage local shopping, we are handing out a total of \$1,000 of Community Cash certificates from 9:00 a.m. until noon (or while supplies last). One per family please. Help us let our local businesses know how much we appreciate them.

2025 Bank Calendars

We are anticipating the delivery of our 2025 calendar soon. Watch our social media post as we will announce the arrival on those channels. You can follow us on Facebook at Mount Vernon Bank & Trust Company and/or X (formerly known as Twitter) at @mountvernonbank.

Our local photographers continue to make the selection of photos extremely hard. Seeing the community through their eyes is a treat.
