

Congratulations Luke

Luke Stephens has been a part of our teller team for 2 years, and we are excited for him as he begins his next great adventure. Luke graduated from Mount Vernon High School last month and plans on continuing his education this fall at West Michigan University, with a focus on jazz piano.

Luke will be with us through the summer; so if you see him, help us wish him well.

Capturing Time: The Photography of Bob Campagna

The History Center in Cedar Rapids has announced a new exhibit: "Capturing Time: The Photography of Bob Campagna."

Step into the captivating world of Bob Campagna's photographic journey at their upcoming exhibit, running from June to December 2024. This remarkable showcase celebrates Campagna's lifelong dedication to the art of photography as a medium that validates life experiences, embraces serendipity, and transcends time. Bob has been a photographer since 1976 and has taken hundreds of thousands of photographs. With a career spanning landscapes, portraiture, and Americana, Campagna's work has touched thousands of students and communities across the United States and beyond.

The exhibit, titled 'Capturing Time: The Photography of Bob Campagna,' invites visitors to explore his distinctive vision. The exhibit will be open from Saturday, June 22nd to Friday December 6th, 2024.

Bob has been a key contributor for the bank's annual calendar for many years. His guidance and photography, from the beginning, helped set the standards for our calendar. The creativity of his photographs continues to give our calendar a unique snapshot of Mount Vernon and Lisbon's history. Several of the past calendars' photographs will be featured in the exhibit. We are proud to be one of the sponsors for this event.

The History Center is open to the public 12 p.m. to 4 p.m. on Tuesdays and Fridays, 4 p.m. to 8 p.m. on Thursdays, and 10 a.m. to 4 p.m. on Saturdays. Admission is \$7 for adults, \$6 for active military, \$5 for students and children under 5 are free.
