

## Welcome: A new employee, and new baby

### Jackee Austerman joins bank

We are excited to announce that Jackee Austerman has joined the Mount Vernon Bank & Trust team as a Loan Administrator. She started in mid-April and is working part-time.

Jackee grew up in the Lake Delhi area and attended UNI. Jackee and her family -- husband Shane, son Zay (14) and daughter Ellie (11) -- moved to Mount Vernon 12 years ago and live north of town. Jackee is a local photographer and has her business, Jackee Austerman Photography, in the First Street Community Center. Besides photography, she enjoys running, traveling, playing on a recreational volleyball team, and attending community events. Welcome, Jackee!

### Thomsens welcome Lonnie B

If you have been in the bank recently, you may have noticed that Michele Thomsen has been out of the office. In mid-March, Michele and her family welcomed Lonnie B into the world. Lonnie B's two older brothers, Liam and Maverick, are excited to have a sister and are keeping a protective, watchful eye on her. Mom and baby are doing well, and we think Lonnie B may have a modeling career in her future.

Congratulations, Thomsen family!

# Mother's Day

Mother's Day has a touching origin, tracing back to the efforts of Anna Jarvis in the early 20th century. Anna's own mother, Ann Reeves Jarvis, was an activist who cared for wounded soldiers on both sides of the American Civil War, and later worked to promote peace and public health. After her mother's death in 1905, Anna sought to honor her and all mothers. In 1908, she held a memorial for her mother in Grafton, West Virginia, and began campaigning for a nationally recognized Mother's Day. Her efforts bore fruit in 1914, when President Woodrow Wilson officially declared the second Sunday in May as Mother's Day. Initially, Anna envisioned the day as a time for children to honor the sacrifices their mothers made for them. Over time, it has evolved into a day of expressing love and gratitude to all maternal figures, celebrating their nurturing and unconditional love.

In the spirit of honoring mothers, please **stop by the bank on Friday, May 10th or Saturday, May 11th** and pick up a packet of **flower seeds** (while supplies last) to share with the important woman in your life. You can also **enter their name for a Mother's Day drawing.**
